

## Message

Colors make our life colourful and enjoyable and provide inspirations to us. In Academy we put emphasis on each faculty and student so that he / she comes up with flying colors.

Ar. Achal K. Choudhary

## ALUMNI

### Ameya N Bhate

B.E. Fire Technology and Safety Engineering, 2006 Batch. Pursuing Master of Science in Safety and Reliability Engineering, University of Aberdeen United Kingdom

Best Moment@ipsa : Chilling out with friends on "Greenland" the tree and grass in front of Pharmacy college.  
Best time@ipsa : 2nd year, while having fun with juniors.

Mr. Subrat Kar student of B.E Chemical Engg. from IPS Academy Indore has been shortlisted for Dell Social innovation Competition at University of Texas, Austin. 5 team have been shortlisted all over world, and he is the only who is representing Indian team in the

Faculty Members & Students of College of Pharmacy attended a one day national seminar & presented research paper (poster) held at Nirma University Ahmedabad (Gujrat) on 11/3/11

Prof. S. K. Bandi HOD Mathematics was invited as Chief Guest for inauguration of Mathematical Association of Holkar Sc-College Indore. He delivered his lecture on Development of Indian Astronomy since 12th centuries.

### Department of Fire Tech & Safety Engineering celebrated National Safety Day 4-3-2011

### PROF. BABULAL SARAF MEMORIAL ALL INDIA LABORATORY WORKSHOP FOR PG TEACHERS IN PHYSICS (December 14<sup>th</sup> - 18<sup>th</sup>, 2010)

IPS Academy Volley Ball Team Winner in National Volleyball Tournament at BITS PILANI Goa Campus

### REENA GURJAR ACHIEVEMENT, Lab. Asst. Department of Chemistry

Married to an obscure traditional orthodox family to remote but spiritually supercharged "Mrs. Reena Gurjar" progressed in sure & steady steps through graduation. i.e: B.Sc. degree with good marks.

She started her carrier as a forth class worker in esteemed organization IPS Academy. She never failed to play the response as a mother, as wife, as a daughter-in-law & as an employee. Although, she was a Peon, but to keep her dream alive to be graduate she did a very hard work and finally, she achieved the degree by faith and belief in herself vision for future determination and dedication. It is really a motivational that besides opposite conditions, responsibilities towards children and job response, she did not interrupt her studies and completed B.Sc. with good second division. Now she got the goal. For this grand success, she extends her gratitude to her family and Prof. (Dr.) Premilata Gupta, Head, Department of Chemistry, ISLE & IPS Academy. IPS Academy Management encouraged her efforts and promoted her on post of Lab-

1. Prof. Shilpa Tripathi has delivered lecture in Two week AICTE-ISTE- Short Term Training Programme on "Environmental Modelling and Control Equipment Design" Organized Deptt. of Chemical Engineering, Ujjain Engineering college, Ujjain (M.P.) sponsored by AICTE - ISTE during 22nd November to 3rd December 2010 on "Time Series Forecasting in Environmental using Artificial Neural Network."

The Department of Chemical Engg conducted Expert Lecture on "Process Equipment Design: Testing & Inspection" by Dr. Ashesh Tiwari, Prof. & Head, Deptt. Of Mechanical Engineering, I.E.T., DAVV, Indore organized by Students' Chapter of IICHe (Indian Institute of Chemical Engineers, Kolkatta).

### Institute of Science celebrated Sunskrati 11

- \* Department of Biotechnology
- \* Department of Chemistry
- \* Department of Physics
- \* Department of Mathematics
- \* Department of Library Science
- \* Department of Humanities

Prof. Dr. Kiran P. Shinde Has nominated as a member of Board of Architectural Education by Indian Institute of Architects for the term of 2010-2012

Prof. Archana Chowdhary H.O.D. Deptt. Of Civil Engg appointed as Vice Principal of Institute of Engineering & Sciences

2. Prof. Shilpa Tripathi has delivered lecture in Two week AICTE- ISTE- Short Term Training Programme on "Integrated Environmental Management" Organized Deptt. of Chemical Engineering, Ujjain Engineering college, Ujjain (M.P.) sponsored by AICTE - ISTE during 16th December to 31st December 2010 on "Environmental Management: Issues & Control Equipment Design"

IPS Academy celebrated Holi with SaveWater Tag

### WOMEN DAY CELEBRATED

### Nishant Dubey & Ravi Kumar

School of Computers & Electronics, IPS Academy, Indore

Presented papers in two National Conferences and a paper selected for presentation, details are:  
1. Presented a paper "Computer Aided Software Engineering" in (CITIS-11) organized by (CSI), Bhopal Chapter in association with (MANIT), Bhopal, MP on 26<sup>th</sup> and 27<sup>th</sup> Feb 2011.  
2. Presented a paper "Expert System (Intelligent knowledge based System) in industries" in 4<sup>th</sup> National Conference on IT Contemporary & Future Technologies for Social Changes organized by ITM Universe Gwalior (MP) in association with Computer Society of India(CSI) on 11<sup>th</sup> and 12<sup>th</sup> Mar 2011.  
3. A paper "An Introduction of Image Steganographic Techniques And Comparison" accepted in National Conference on Recent Trends in Computational Intelligence RTCI-11 (23 April , 2011) Technically sponsored by IEEE (MP Subsection) IEEE (Computer Society, Chapter, Bombay Subsection) CSI (Indore Chapter).
