[www.ipsacademy.org/college/school-of-computers](http://www.ipsacademy.org/college/school-of-computers)

School of Computer Science was established in the year 1994 with a Two-year full-time course in Master of Computer Applications & Five Year Integrated Master of Computer Application course affiliated to RGPV Bhopal (MP) and approved by AICTE Delhi. The college is among the top ten MCA colleges in the state, situated in the educational hub (i.e. Indore) of MP state. In recent years, there has been an increasing demand for MCA from all corners of India. On account of rapid growth in the industry & services sector, the employment opportunities for young graduates who have undertaken computer education are bright. The persons already employed are also aspiring for MCA to make growth in their career in terms of higher responsibilities and monetary benefits. Current Business schools give apt training & education to students to take challenges of multitasking in a competitive environment. This has created a huge demand for computer studies and technical knowledge is essential to ensure that quality and professional benefits are accrued from the degree courses. The School of Computers is acclaimed as the best MCA College in Indore.

**Sub: Extension of approval to School of Computer & Electronics I P S Academy Huse Makhedi A.B.Road, Rajendra Nagar, Indore- 452 012. for the year 2005-06-reg.**

Sir/ Madam,

As you are aware, All India Council for Technical Education has been mandated under the AICTE Act, 1987 to ensure **maintenance of norms and standards** with regard to technical education in the country. In exercise of this mandate, the Council insists on fulfillment of the minimum requirements prescribed for imparting technical education by the institution so that **quality of courses** is not compromised and stakeholders are satisfied. The Council also undertakes an **annual Inspection** of the institutions and conveys deficiencies to them for **rectification**.

It has been observed however that notwithstanding the Council's **repeated advice** to comply with minimum norms and standards, many institutions continue to be **complacent** about taking steps to remedy the deficiencies.

Such institutions suffer from **critical deficiencies** of faculty in proper cadre ratio, qualification, experience and other requirements. Feed back of students with regard to quality of education imparted by such institutions has evoked grave concern. The Expert Committees, following **holistic appraisal** during inspections, have also pointed out severe shortcomings.

The institution has been found to be suffering from several deficiencies, which are listed in **Annexure-A** for your perusal. Shortage of faculty is of gravest concern.

The deficiencies in respect of faculty (including proper cadre ratio & qualification etc.) could have rendered your institution liable for punitive action including being placed in no admission/ reduced intake category. However the Council has decided to take a lenient view and give you yet another **last opportunity** to rectify the deficiencies particularly with regard to faculty shortage, proper cadre ratio & requisite qualification. Course-wise approved intake in respect of **School of Computer & Electronics I P S Academy Huse Makhedi A.B.Road, Rajendra Nagar, Indore- 452 012**, your institution for the year 2005-06 is as under: -

COURSE (S)	APPROVED INTAKE	
	2004-05	2005-06
MCA	60	60

**Note:- Additional intake/new courses/PIO quota not granted on account of deficiencies in respect of running existing courses/intake.**
