12. Tools used for writing research paper, diagrams and plagiarism checker.

Resource Persons:

Dr. Jitender Kumar Chhabra (NIT, Kurukshetra)
Dr. Deepak Ranjan Nayak (NIT, Surat)

IPS ACADEMY

THE KNOWLEDGE KINGDOM

About IPS Academy:

Indore Professional Studies Academy (IPSA) is one of the Central India's largest educational hub-premises. Sprawled in an area of 60 acres, 3 campuses, we house the most profitable intellectual, honing & experienced educational assembly. IPSA is a successor to Indore Public School, which is a vision realized by Mr. Achal Choudhary (IIT, Kharagpur), a renowned architect. IPSA every year sends out a batch of brilliant students, who are at once ready to grab the nerve of any industry. The College campus offers students hands-on instruction and access to the latest equipment, leading to excellent graduate placement and "degrees that work". The faculty remains committed to addressing the educational and physical needs of all learners across the life span and to working closely with educators, leaders and policymakers in the field.

About School of Computers:

The School of Computers was established in the year 1995 with three-year full-time course in Masters of Computer Applications course affiliated to RGPV Bhopal (MP). The college is among the top ten MCA colleges in the state, situated in the educational hub (i.e. Indore) of MP state. In recent years, there has been an increasing demand for MCA post graduates from all corners of India On account of rapid growth in the industry & services sector, the employment opportunities for young post graduates who have undertaken computer education are bright. The persons already employed are also aspiring for MCA education to make growth in their career in terms of higher responsibilities and monetary benefits. Current Business schools give apt training & education to students to take challenges of multitasking in a competitive environment. This has created a huge demand for computer studies and technical knowledge is essential to ensure that quality and professional benefits are accrued from the degree courses. The School of Computers is acclaimed as the best MCA college in Indore.
